

Special Project: Faith in Action

The metropolitan region of Santiago has been (and still is, as of the middle of July) under full lockdown since May 15, with partial lockdowns and border closures extending as far back as March 14. The numbers seem to indicate that we are in the midst of our 'peak' here and we don't expect life to return to normal for quite some time.

The pandemic has had a large impact on our network of churches that we serve with. There are a number of churches with whom we serve that report people or whole families that are infected with the virus. In addition to this, the economic impact has been huge, as in most of the world, but with very little government assistance. To this end, our staff have been burdened to show genuine love to those in the community who are in need with this *Faith in Action* initiative. We are raising funds for boxes of groceries valuing **\$50 USD** each. These boxes would include basic food necessities for a family of 4. When we hand out these boxes, our goal is to **pray** for the recipients of each box, to show tangible **care** for our community and ultimately to have an opportunity to **share** the Gospel with them and **connect** them with a local church. This is primarily an initiative among our churches here in Chile, but we are also extending the invitation to you to be involved with your brothers and sisters here in Chile.

Our goal is to deliver at least 100 boxes of groceries to families in need by the end of July. Would your family or church prayerfully consider sponsoring boxes of food for this *Faith in Action* ministry?

If so, you can give in one of these two ways:

1. Send a check made out to "Word of Life" with the fund ID: **02138C** in the memo line.

Mail check to:

Word of Life Chile
PO Box 600
Schroon Lake, NY 12870

2. Give online at: give.wol.org/02138C

Thank you for your consideration in partnering with us in this practical and much-needed project.
